Methodist Home for Children

Raleigh, NC 27605

Methodist Home for Children works to provide safe, stable homes where children can thrive and live fully into their God-given potential. While not always traditional or biological, an MHC home is where both child and family are equipped to succeed. It may be a group home that helps juvenile offenders transition to healthy, independent living or a foster home that shelters a child while his family is stabilized. Whatever form it takes, the end goal is always the same— a safe, stable home.

Inspiring hope. Changing lives.
